Extension Project*

# Quote Training Module Overview

**Description:** This training module will take you step-by-step through the Quote document in the Regional Business Application (RBA) IT-Solutions Shop (ITSS) component as well as the integrated RBA & e-Buy Quote submission Process.

**Navigation:** If the tutorial opens up in your web browser, simply click your mouse or your space bar to advance to the next slide. Use the “Backspace” key to go back. If the tutorial opens in the PowerPoint application, click on “F5” to view the tutorial. Use the spacebar or click your mouse to advance to the next slide. To go back, click on the “Backspace” key.

# Quote Glossary

Term	Definition
Quote	Document that Contractors Submit in ITSS (or in e-Buy) to respond to an RFQ or RFI, detailing how they will meet the requirements set forth by the client. A Contract Number must be selected on every Quote.
Contractor	Employee of a private company, or industry partner. Contractors submit quotes for RFQs/RFIs, and once awarded, create support documents. Also known as a vendor.
Contract	The government contract number that the order will use if awarded.
Total quote \$	Sum of all Task Item Quote Amount values.
Unregistered Vendor Quotes Summary	ITSS page that is generated after RFQ process is closed on an e-Buy published RFQ. Lists quote information submitted by Contractors who weren't registered in ITSS at the time the RFQ was closed.

# Creating a Quote in ITSS

The screenshot displays the ITSS (IT Solutions Shop) interface. At the top, the GSA logo and "U.S. General Services Administration AAS Business Systems Portal" are visible. A navigation bar includes "Welcome", "Orders", and "Registration". The "IT-Solutions" tab is selected. A welcome message for "Steve Contractor" and contact information for the AASBS Helpdesk are in the top right. The main content area is titled "IT-Solutions Shop" and contains several sections:

- Welcome to the IT-Solutions Shop:** A brief description of the system.
- Need Assistance?:** Links for technical support and registration.
- ITSS Quick Links:** Links for specific orders, integrated orders, support docs, order status, orders by ID, and legacy.
- ITSS Action Items:** A section showing action items with a dropdown menu. One item is displayed: "ID31120049-000 RFQ DUE 02/09/2012 01:45 PM EST for Sarah Client (Organization Name) Furniture Procurement". A callout points to this link.
- System Announcements:** A section for system updates.
- ITSS Reports:** A section for reports, including an "RBA Task Overview Report".

At the bottom, there is a "Directory" section and a registration link for clients and contractors.

RFQ link is displayed for the selected Contractors in the ITSS Action Items

Closed	Quote no longer editable and only the 'Go to Order Package' button is displayed.

# Next Steps...

The RFQ can close for 3 reasons:

1. RFQ closes automatically by system due to close date/time
2. GSA user manually closes RFQ (If non-eBuy)
3. GSA user creates Market Analysis which auto-closes RFQ (cannot occur if RFI)

Quotes cannot be edited or submitted by the Contractor if the RFQ Close Date/Time has passed unless the RFQ is reissued

GSA user creates a Market Analysis to evaluate Quotes
